RE: Fedoriw v. Carl Zeiss Vision, Inc., et al.
07-CV-7446-HB
Next Listed: 1/24/08 for Pre-Trial Conference

Dear Judge Bear:

We represent the plaintiff, Martha Fedoriw, in the above-captioned matter. The case was previously listed for a pretrial conference on January 3, 2008, but was adjourned due to new information regarding potential new defendants to be added to the case. The Court wished that all defendants be present for the conference and ordered an adjournment for that purpose. In the interim, we submitted a Motion to Amend the Complaint to include those potential defendants and are awaiting the Court's decision. As those parties have not yet been added, they have not been served and will not attend the pre-trial conference scheduled for tomorrow. Accordingly, we respectfully request, with the consent of Defendant Carl Zeiss Vision, that this matter be further adjourned so that the new parties may be properly added and served in advance of the next scheduled pre-trial conference date.

Thank you in advance for your consideration of this request.

Respectfully,

Peter A. Greiner
